FRAMELINE45 SCREENERS AVAILABLE AS OF MAY 21, 2021

The following screeners are available streaming online for checkout immediately and up to the beginning of **Frameline45 (June 10–27, 2021)**.

We ask that you request no more than five screeners (or shorts programs) at one time. Please note that all screener links and passwords are strictly private and are not to be shared or viewed by any person other than the press receiving permission. Thank you.

Hold Review / Capsule Review Films

The below films marked with (X) have US distributors or are pending distribution or broadcast. While press may write capsule reviews (75 words or less) and include them in their overview of Festival articles, please hold full reviews and features of these titles until they open commercially. When you review the film upon opening, we would appreciate a mention of the film having screened at the Frameline45 Festival. Thank you.
